

Nellie M. Lind

January 27, 2021

Nellie (Nonnie) Lind passed away peacefully at home on January 27, 2021.

Nellie lived a life that few could even imagine, traveling around the world with the love of her life and five children.

Eventually, Nellie and Tom settled down in Venice, Florida. Nellie established a successful career with CBI, rising to Regional Vice President before retiring to spend time with Tom.

They spent a happy retirement traveling to visit family and friends. Family reunions were always fun with them. They were also well known by friends at the Venice Yacht Club, where they went dancing regularly.

Tom passed away in 2011. Nellie honored him by continuing to lead a happy life. She spent time with her children and grandkids. She particularly liked going on cruises with them. The family celebrated Nellie's 90th birthday by going on a cruise just prior to the pandemic. So many great memories were made on that trip.

This past year was difficult as Nellie's health declined. Although her body was failing her, her mind and wit remained sharp to the end. She was a strong fighter; some might say she was a badass.

Nellie leaves behind three children: Nancy, Lori and Andy. She was also blessed with ten grandchildren and three great grandchildren. She was predeceased by her husband Tom, daughter Mary Ellen and son Tom Jr.

Nellie also leaves a loving group of nieces and nephews. Aunt Nonnie was a favorite. Additionally, she leaves a massive number of dear friends. To know her was to love her, and that was always reciprocated.

Pretty sure there's a big reunion happening in Heaven today and there's probably a slot machine involved somewhere.

Services will be held at the National Cemetery of Sarasota at 2:30 on Thursday, February 4, 2021. Nellie's ashes will be buried next to Tom's.

In lieu of flowers, the family has requested donations toward the purchase of a memorial bench in one of Nellie's favorite spots, the South Jetties of Venice Florida. Donations may be made through Gofundme "A bench for Nellie": https://www.gofundme.com/f/a-bench-for-nellie?utm_source=facebook&utm_medium=social&utm_campaign=p_cf+share-flow-1&fbclid=IwAR3vegQ-W0aSu0-fhcwsVocbvAXXj4LyOG3AON8xgatae2tSSNhsp9pbL8
