“ Hi Nelly, Missing you this time of year. I can still hear your laughter. May you rest in peace knowing that the family is doing well. Know that the memory of you is very much alive but we will try to follow your footsteps and not dwell in the past. What a ride life was for you, right?

“ Living next door to the wonderful Herrera family, Greg, Kristen, and Gregory, gave us an opportunity share hellos and hugs with Mrs. Herrera. We will remember the fun September evening on the patio hearing of her fabulous 80th birthday celebration and toasting to the end of summer. We pray all your beautiful memories will sustain you.
Sincerely,
John and Lisa Kirk

“ Nelly was full of life and fun to be with! She loved to swim in the ocean, play games and enjoy time with good friends! I loved her very much. I am sad to loose her. May her soul rest in peace!

Mom...words can not express our sorrow and pain now. I am so fortunate to have had a very caring & unselfish mother. You taught us to always be caring of others. We hope you will continue to guide us for the rest of our lives! We will always love you and we miss you so much.

Nelly, we only were with you a couple of times a year when George (May)came to Sarasota. He will always remember how good you were to him and his late wife Annmarie, when they were your neighbors. I (Barbara Brainard) enjoyed several dinners with Nelly as well as phone conversations. She was one fantastic lady and will be missed by so many friends and family.

.....y de repente mi mente se llena de recuerdos y mis ojos de lágrimas. Siempre te recordaré mi querida chaparrita. Quien nos hubiera dicho que cuando celebramos tu vida, para algunos de nosotros ese sería darte nuestro último abrazo, tomarnod la última foto, y decirte último adiós. Dios te tenga en su gloria. Nos dejaste muy pronto pero siempre vivirás en los corazones de todos nosotros que te quisimos. Descanse en paz mi querida amiguita y Dios les de consuelo a toda su familia.
