“ Goodbye Noonie. I will miss you. I remember you cooking the snapper and clams that I caught from the Long Island Sound. You were such a good cook. John, Lucille and Gracie, I sending you my heartfelt sympathies. Sorry we couldn't be with you during this tough time.

Aunt Nora you are and not were very special to me. You always will be considered special by me. I feel bad that I can't be there on your day because I'm all the way here in Texas with Lorraine and my daughter and grandchildren. I will be in church that day and thinking of you during mass.

John, Loucile, and Grace my prayers are with you. They are also with your spouses, children and great grandchild.

You have one big loving family Aunt Nora. That isn't even including your brothers and sisters or your nieces and nephews.

We all love. You will always be with us forever. Keep an eye on us up Heaven and we will always have you here with us.
