“ Although Nora cut my hair for so many years, she was more than just a hairdresser, she was a friend. We shared stories and laughs and she always had a smile. The world is a less of a place without Nora, but she will always live on in my heart and every Christmas when I put her Sandollar’s on the tree, fond memories of her shall return.

“ So many memories of Nora: riding bikes at her house, spending the night at her house and mine, trying to dodge those pesky little brothers, just goofing off, I could go on and on. Amazing person. You will be missed.
