

Norma H. (Feid) Funk

January 30, 1934 - July 19, 2024

Norma Feid Funk peacefully passed away at the age of 90, on Friday afternoon, 19 July of 2024, shortly after getting her family photo of 4 generations of Feid's including her great granddaughter, Josie.

Norma moved to Sarasota in 1972 from Cincinnati Ohio with her family, Robert B. Feid, daughter Lorraine Norma Feid and son James Robert Feid. Her first husband Bob Feid was a bank president for many year's in Sarasota before his passing in 1990. Norma remarried to Thomas Funk in 1994, who later passed in 2002.

Norma met and, graduated and then married her first husband, Bob, at Denison University in Granville, Ohio. Upon graduation they moved to Texas, where Lorrie was born, and then to Arkansas, where Jim was born. They then moved to and lived in Cincinnati, Ohio for 12 years. Norma then resided in Sarasota for 52 years.

Norma was an avid tennis player, first at the Bath and Racquet Club and then at The Field Club where she was member for close to 40 years. Norma was also active in her investment club, playing bridge and her book club. Norma had a quick wit and keen sense of humor, and was an accomplished artist, loved birds, and avidly watched Eagles nest's all over the country. But mostly Norma loved her dogs including her yellow labs, then her Brittney Spaniel and

finally Sunny, a Cocka-poo puppy. She always provided a welcoming home for her four legged friends.

Norma leaves behind her two children Lorrie Feid Dickinson, (Gary Dickinson) and Jim Feid, (Billie Shadowens), grandchildren Meredith and Hudson Dickinson and Jimmy Feid II, (Jessica Selway Feid) and great grand-daughter Josie Kay Feid.

Norma will be missed, but we all have a time, and her time peacefully came with Lorrie at her side. The family would also like to thank the care givers who helped with Mom and Affinity Hospice who made her final time here very comfortable.

A memorial gathering has not been speciFeid, but close friends and relatives will be notiFeid when a time and date is set...

We miss you dearly.
