“ I simply cannot express how much I loved my Aunt Jeannie and Uncle Paul. They were a fixture of my childhood as were my beloved cousins Paula, Jennie, Beth, and Pat. That family will always have a special place in my heart. Aunt Jeannie was like my 2nd mom. I was so happy to be able to see her whenever we visited Sarasota over the past few decades. She was a very special person. I am so happy that wife and children were able to get to know her. She will be missed by all of us.
