“ *My dear sister, I will miss your smile, your laughter and singing of 60's popular TV theme songs especially Gilligan's Island and Beverly Hillbillies ...I will miss your upbeat report on the world news (sorry I snoozed a few times).... You inspired me more than you could ever imagine growing-up. You were so talented and creative in so many fields (artwork-sketching and painting, music-organ and piano, interior design, fashion design, cooking from scratch and so many other endeavors... Thank you for showing me the way of life and sharing/teaching your special talents with me. I will treasure them forever. I love you with all my heart and I will see you again someday....you are a beautiful soul.....*
