“ I am sorry to hear of Patti’s passing. We all loved her at Delta and always enjoyed flying with her. I only wish we could have known about her memorial service so that we could have celebrated her as a Delta flight attendant and beloved friend. Heartfelt sympathy goes out to her family.

“ I was sad to hear of Patti’s passing this week. I met Patti when Delta opened a small Tampa base years ago. She was such a breath of fresh air and had a great sense of humor. I hadn’t seen Patti since she took a leave of absence during Covid.

She will be greatly missed by her Delta family.

Patti was the sweetest person in the world. I checked Pattie in at the ticket counter at Delta at SRQ. Patti always had a smile and always asked about my family and just always so sweet! I will truly miss her and my thoughts and prayers to her family! Rest In Peace my beautiful friend!

“ *She was my person throughout grade school and high school. I don't think I have a memory without her in it. Our trips to Michigan, swim meets, and being Laverne and Shirley for Halloween. My heart is broken. I will miss you forever. Love Eileen*
