“ *What a wonderful person Patti was. She had a smile on her face, laughter in her voice, and always went out of her way to help others. If I had questions or needed anything, I could go to her and she would always help me. She had a beautiful, friendly personality, and a kind heart. My deepest condolences go to her family. Patti will truly be missed by all of us who knew her.*

“ I grew up with Patti and our families were close. My mom was her Godmother and we loved getting together for events and parties. Patti had a bubbling personality and was so fun to be around. Our deepest sympathies to Greg and Dylan. She really was an amazing person.

“ We only met once but i knew you through your son. Dylan is a testament of your character and goodness. My family weeps with yours at this time. We place our hope in the eternal God above and in His promise to make all things new. On that day we will be reunited with those God has adopted as family and every tear will be wiped away. Patricia, make the goodness and kindness you have instilled in your family remind us of all the good you gave to this world! Sleep in peace! The Hawes Family

“ Oh Patti, my friend, Heaven has gained another angel but selfishly, I will miss hearing your voice and laughing over the everyday nonsense of work. You were truly a warrior and kept your sunny (and funny) disposition to the end! It was such a pleasure knowing you and calling you my friend. Until we meet again..... Dianne Calhoun

“ Patti was my niece whom i didn't know was sick. She had such a bubbly personality always a smile on her face.. she was fun to be around and she had a son whom she adored and a nice husband and life for her was good. I am sorry i did not keep in touch with her as life gets so busy for us all. May Patti rest in peace and know she will forever be missed.. love, Aunty Donna Glidden

“ Patti and I always joke about things from back home in Massachusetts. The moment I met her I automatically knew where she was from based off that lovely little accent of hers. She couldn't believe I was from Mass especially because I still use my R's when I talk. We would discuss the word wicked, the attitude that came behind being a Masshole and how when we got mad, like really, really mad we would swear like a sailor. She always has a smile on her face, always makes me laugh and is so unbelievably helpful with anything. No matter how busy she is she is always willing to help. I am at happy that she is at peace and is no longer suffering but that doesn't keep me from missing her. Rest In Peace Patti. I am so glad that you were brought into my life and I am proud to call you my friend.
