What a truly amazing soul...there are few, not enough, true Angel's that walk among us. That was Pat, she was my life coach, always asking about my relationships and careers as she was guiding me along my path.

Was like an aunt to me, I am now an orphan as my parents and their sins are all gone. Father Dr John Rudd just passed in April at 95. God speed Miss Pat

What a truly amazing woman. She was my friend and coach for many years. Her presence brought light into the world. She will be truly missed.

“ *I've already missed Pat's annual telephone call at the beginning of football season to chat about "my boy Aaron". And will miss her at our bridge table saying, at least once a time, "I LOVE this game", as well as seeing her zoom out of the parking lot in her little Porsche. She was a little bitty person with a huge heart and personality. I'm sorry to miss next week's remembrance service; we'll still be up in Door County. Laurie Covert*
