“ Patricia Anne Welch

Patti was born September 26 1953. She was raised in Philadelphia but later moved to Florida where she has resided approximately 30 years. Patti was a stalwart of Chabad for many years. Patti raised three children Sheryl, Megan, and Nina. Megan predeceased her at an early age and her life was forever changed. Patti has two grandchildren, Jerred, and Megan.

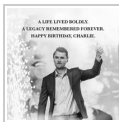

Patti was born Catholic but has been a supporter of Israel, working round the clock at all hours of the night and day for the benefit of the Jewish People and the State of Israel. She developed friendships with people in Judea and Samaria and throughout the world in work that can never be disclosed.

Patti was also involved in keeping children with their parents, particularly poor families whose children were taken away from them by self-interested agencies purporting to work for the greater good of the Children.

Patti and I resided on Siesta Key in our home for approximately 18 years. Her dog Lily and Kfir and I will miss her greatly as of course will her children and grandchildren and sister Mary and many others who knew her love.
