“ Dear Dawn and family,
I am keeping all of you in my prayers. Pat was a special lady and I trust your memories of her will give you comfort. Even at this sad time; my mind keeps seeing Dick waiting to greet her as she came Home. I am thankful to have known them both. They blessed my life by being examples of loving people. Devoted to each other and their Creator. They are together forever and we will see them again. May God Bless all of you.
