“ Aunt Paula was not just my aunt, she was also my friend. She was a very strong woman and I admired her so much for that. We talked about everything and anything..i will miss those talks..many of which were about food because we both loved our food, but she told me so many stories about our family and our origin. I know she is at peace now. The pain of losing her is so great..but we will see each other again. Rest in peace...all my love always..your niece Carol and nephew Ceasar
