Penny--smart, feisty, stubborn--deeply loved her family. She was known to everyone as the most honest person they had ever met. She was a former Maine State Tennis Champion, psychometrician, massage therapist, wonderful friend, mother, mother-in-law, sister, and grandmother. Born in Boston, MA, long-time Maine resident, and most recently Pelican Cove and Venice, Florida.

She is survived by daughter, Tamara Hammer, her husband Lloyd Selbst, and granddaughter Felicia Selbst; daughter Hannah Johnson and daughter-in-law Jana Brownlee; brother Peter Pereira and his wife Carolyn; nieces Kathryn and Laura Pereira; nephew Jonathan Pereira and all of their children.

"Say not in grief she is no more but live in thankfulness that she was."

“ *My thoughts and prayers are with the family during this difficult time.  
I hope that the promise in 1 Thessalonians 4:14 can bring comfort.  
Knowing that there is a hope for our love ones lost in death can be  
reassuring.*
