September 4, 2022

Philip Bradford Davis passed away on Sunday September 4th, 2022, at Sarasota Memorial Hospital after a period of declining health, he was 73 years old.

Born and raised in Worcester, MA, he was the son of Willard R. and Nancy H. Davis, who preceded him in death. He had one sister Pam, who died earlier this year.

He is survived by his two wonderful daughters Casey Bradford Davis and Amanda Blake Davis, who reside in CA.

Philip, or Flip (as he was nicknamed by his obstetrician) grew up in the Tatnuck Sq area of Worcester and attended Tatnuck Congregational church where he played basketball and began his love of the game. He attended Doherty Memorial High in Worcester and was a member of its first graduating class in 1967. He was an integral member of Doherty's basketball team.

He was also an avid golfer from an early age. He caddied at Worcester Country Club and later went on to win the club championship.

He briefly attended Furman University upon graduation but returned to Worcester to attend and graduate from Nichols College.

Shortly after graduation he went to work for the family business, Burton Saw and Supply. He was a member of the Young Businessman's Association in Worcester.

He retired to Sarasota, FL and spent his time golfing, enjoying the sun and doing crossword puzzles. Flip never met a stranger, whether it was at the Northworks in Worcester, or Captain Curt's, Beef O'Brady's or the Parrot in Florida- he enjoyed being a regular and greeting everyone with a smile or a story everywhere he went.

In lieu of flowers donations can be made to the Humane Society of Sarasota
