“ Phil was a good friend for the past 40 years and I am incredibly saddened that I didn't know of his passing. It was terrible when his back pain/health issues became serious, but I did not expect this sorrowful passing. I will remember his crooked smile, his wise counsel, our long runs and golf game together and his sly way to pay the check for a our group's dinner and then disappear to never take credit for it. He was a wonderful human who's life added joy and interest to his many friends. He will be missed. -- Barbara Schmid

“ I have been a friend of Phil's (#41) for almost 60 years. We played football and ran track at Sarasota High. I admired his sports talent, his hard work ethic and his friendship. Our path in life was often very different but our friendship never wavered. He will be missed.
