“ I met Phil with Beverly at Molly's in Soulard. I was their server every Tuesday night when they came in for the Lobster special. What I didn't know then was that he and Beverly would take me in as family. I rented the apartment beneath them for over two years and shared many evenings in the yard chatting about life and having a few drinks. Phil was a father figure that truly cared about me as a person, that was just the kind of man he was. He was kind, generous and loved his wife and family unconditionally. He gave great advice and never judged me, even when he probably should have. Phil will forever be missed.

Beverly, you are in my prayers and thoughts. I cannot imagine the loss and pain you are experiencing right now. Just know that I love you and am sending all my love from Nashville. I know he was your best friend, lover, and companion. I love you!!!
