“ My parents, Anne & Bob Bonace, were friends with Rae for many years. While my parents have been gone for more than a decade, I remember Rae and the good times they shared with her, especially my mother. It sounds like she had a very rich and full life. I'm sorry for your loss.

“ I knew Rae from our living at Camelot Lakes for several years. Rae was one of the first people I met. Whether it was in the Park, where I worked at Winn-Dixie, or at Doctors' Hospital for a more serious matter, Rae would always greet you with a smile and ask for the family. She was a bright light in this life. Rae will be missed. You are in my thoughts and prayers. I am truly sorry for your loss. Sincerely, Joanne Clancy

“ So Sorry for your loss Tom and Anthony. Our families had some good memories together. The Aloisio's Kady's and the Patella's. Our Dads worked together in the Post Office. I remember all the post office picnics out at Sun and Fun. Really fun times when we were kids. RIP Ray.
