

## Randall "Randy" Tennant

September 7, 2021

Randall "Randy" Tennant, 77, passed away in the loving presence of his family September 7, 2021. Son of Herbert and Vivian (Canner) Tennant, he graduated from Blue Island Community High School and joined the United States Air Force.

After completing Air Police Academy training, his choice assignment of the 5th Air Force Headquarters in Tokyo, Japan, became a reality. Life in Tokyo was exciting as it awarded Randy an opportunity to become the Air Police Reports Editor. Having a natural talent for writing, his reports were instrumental to military personnel.

It was in Tokyo that Randy met "the girl of his dreams, Eiko." They married and returned to the United States.

Working as an electrical contractor, Randy was highlighted as project manager of the National High Magnetic Field Laboratory in Tallahassee, Florida. He was praised for projects at Tampa Airport, Miami Airport, and Bellagio Las Vegas Hotel.

Randy valued family and was happiest when at home with his wife Eiko of 55 years, daughters Barbara and Nancy, sons-in-law Paul and Greg, and three grandchildren Matt, Chris and Jake.

He enjoyed creating canvas prints of Florida birds and landscapes but most of all creating birthday signs for his grandchildren.

He will be greatly missed by all including four sisters: Joan, Janet, Carol, Renee and many nieces, nephews and cousins.

Funeral Mass is scheduled at St. Martha Catholic Church on Monday, September 20, 2021 at 10:00am followed by burial at Sarasota National Cemetery at 1:00pm.
