“ *I first met Randy when we were both teenagers working for Kroger Foods in Racine, WI. Little did I know at the time that he would eventually become my brother-in-law. I've enjoyed our friendship over these many years. He had a very outgoing personality, a good sense of humor and that signature smile. I guess the one thing that sticks out in my mind above all others is that Randy was a "master of the grille". He seemed to really enjoy cooking out and he and my sister Jane were excellent cooks. Randy will be truly missed by all who have known him. Rest in Peace my dear friend.*
