“ I read about the Ray brothers several years ago. While their story is one of great tragedy, there was also triumph and hope. Randy went on to accomplish many things in his short life at a time when he wasn't even expected to make it to adulthood due to his illness. Although it has been almost three years since Randy's death, I send my condolences to his family and friends. May Randy RIP. 🌸🙏

“ I love you so much, I can't believe you're really gone. It breaks my heart over & over again knowing I can't hear your voice again, I can't climb in yours & Momma's bed & talk about everything with you. I'll never hear your laugh again, it kills me. I miss you Daddy, I'm sorry I wasn't there more for you, Mom, & Kyla. Daddy I promise you, I'll take care of Mom & KY. I'll make you proud! Fly high, Daddy. Until I see you again, I'll be missing you 💔

The Nevers hurt the most:
- never another call
- never another "I love you."
- never another hug
- never another smile
- never seeing your face again
