“ As youngsters, Randy and I spent a lot of time together as only siblings, sharing the same bedroom and even bed. After high school, life took us in separate directions and we didn't see each other very often. When we did, we sometimes took a hike together and that was a lot of fun. The 1985 photo I posted was on a trail in north central Pennsylvania in 1985. Seems like just yesterday... Rest in peace brother.
