“ So sad to hear of Rick’s passing for those who are left behind. What a great reunion to look forward to. Rick was quite a character to be around and I enjoyed his friendship; whether it be worshipping together and in Sunday School, walking many miles together, or attending sports events (especially Royals games) where he always had to keep score. He was a caring and generous man who would think of others first. Watch over us Rick. We will be joining you soon. God Bless. James M. Maddux
