“ Dear Dick,

It has been a year since you left us here, but only a moment since you arrived in Heaven. Look for my Dad and tell him how hard I worked in THIC with you guys! I never had the pleasure of working with such a sincere, driven, no-nonsense group - totally committed to the single purpose of moving an entire industry into the future. I learned so much and tried to communicate what you gave me to the world. I am sorry I did not see you more often in Sarasota. I will never forget your kindness and willingness to help a new-comer into your field of expertise.
