“ I was fortunate that Ed Howard introduced Dick into our golf group many years ago and enjoyed many matches with and against Dick . Thank you, Dick for creating many great memories in our golden ages. I will always remember you.

“ My condolences for your loss. My earliest memory of Dick was when I was 4 or 5 and my parents (Rodney & Norma) went on vacation and De and Dick babysat us at their home on West Washington street. Dick was so nice and taught us how to play horseshoes. Another time at Mt. Meridian I stepped on some glass in the lake and Dick and my dad carried me up the hill and took me to the hospital. Many great memories of Dick growing up spending time on the weekends at the house in Belleview. Wonderful man.
