

Richard Renehan

November 7, 1964 - November 29, 2024

Richard Renehan passed away in Venice, Florida on Friday, November 29, 2024, unexpectedly at the age of 60. Richard was born in Bristol, Connecticut on November 7, 1964, to Don and the late Gertrud Renehan.

Loving husband to Tammie and devoted father to his 4 girls Emily Renehan, Chelsey Blanton, Erika Renehan, and Rebecca Renehan. He also leaves behind his siblings Susan Pajor, Debbie Canfield, Carol Turgeon, Karen Renehan, Tom Renehan, and John Renehan of Connecticut. Richard was also blessed with grandchildren, Elijah, Wilberto, Charlie, Romin, Elo, John and number 7 on the way. Along with many cousins, nieces, nephews, and friends he loved immensely.

Richards most important job was his family, cooking for and having family at the table. While he and Tammie raised their family in Southington. Richard became a fixture at the Softball field, both coaching the girls and playing, including taking 2nd out of 96 in the country. He made and kept countless friends while on the field and cheering on the girls.

He shared his other passions for NASCAR and fishing with family and friends over the years. Although Richard raised his family and had his career in Southington. He found his true happy place, when he moved to Florida, where the welcome mat was always out for family and friends.

Richard was a chef, a designer, a lover of a good (or bad) casino. He would bend over backwards to help stranger or friend at a moment's notice. He lit up a party but also made you feel like the only one in the room when he spoke to you. Richard lived and departed his life surrounded by family and friends who were blessed to know and love him, and who will always remember his unforgettable personality and his giving heart.

“ I met Tammie at work several years ago and had the pleasure of meeting Rich on several occasions. Although I did not know him well I can honestly say he was one of the nicest guys. He was always so friendly, talkative, funny and an amazing cook! He always made you feel welcome. My heart breaks for Tammie, their girls and the boys. May he rest in peace.

“ I worked with Rich at Vr/Wesson . I always looked forward to my morning visit with Rich especially during softball season . He would tell me how many homers he hit and how far they went . I would ask him why he's not in majors and he told me that he was just overlooked . We would laugh and then go about our day . I loved his humor and hearing his glory day stories . My thoughts and prayers are with the Renehan family . He was a good man .

“ Rich and Tammie only lived few doors from us when we both had villas in Sorrento Shores. Rich had great sense of humor and would light up a room. He will be missed. He is now where we all want to be...with our Lord and Savior.
