“ My deepest condolences go out to the entire family, especially to my friends Sonya and Frank. I never met Bob but what I’ve always been able to see through pictures is how happy he made everyone around him. Deep belly laughs all around, grinning from ear to ear... and a passionate love for the Bengals. Who Dey!!

I know he must have had a heart of gold because his daughter sure does. Apple doesn’t fall far from the tree right? Sonya I wish I could take your pain away, I’m here if you need me... doesn’t matter what time of the day or night.

Sonya, Frank, Faye, family & friends, Bob will forever be in your heart. I pray that you find peace and comfort during this difficult time.

Rest In Peace Bob 🙏
