“ *So sad. When Bob was on the east coast of Florida, we would go to dinner every Sunday. We would have long discussions about everything and nothing, and solve all of the world's problems. We used to marvel at how he could manage to insert his huge frame into his little compact car. We could spot his car a mile away with its bright flower atop the antenna.*

*Thank you for your service with the FDNY, Bob. We will miss you.*
