“ Absolutely loved your father, Bob and had the pleasure of knowing Norma as well. Bob was so kind and generous to all that knew him. We had the good fortune to be involved with the family at some good times as well as sad ones. I am sorry I wasn't able to pay my respects in person. Barbra, you were so good to and for Bob. Once again I am speaking for not only myself but for Tracey and Felicia as well . Bob never forgot about me after I left Michael's on East my buddies there would always tell me when Bob asked. It's like the changing of the guard. My condolences...May you find peace in knowing he is with his beloved Norma again. Sincerely, Patt Lamb
