“ To the Herbold family,

I was saddened to come across the news of Bob's passing. I worked for Bob in the 70's and he taught me, he opened many doors for me and gave me opportunities to be a success beyond my imagination. I am happy to say that I did, after many years, write him a letter to thank him...I pray that he received it. My sincere condolences go out to the entire Herbold family for their loss. May Bob rest in peace with our Lord and savior.
