“ My condolences to Lou on his loss. Bobbi was a vibrant lovely woman and will be missed by all her friends and family. Although my time spent with Bobbi and Lou was several years ago, the memories of the good times we had are still alive and well.

“ We met Bobbi and Lou around 40yrs ago, Lou and I worked for Ashland Chemical, he in Columbus Ohio and me in Kidderminster England. I think its fair to say that we hit it off from the start and from that early beginning we went from friends to family. Over the following years we met in Kidderminster, Marbella Spain, Columbus Ohio, Albuquerque NM and their final home in Sarasota Fl in fact anywhere they had red wine was acceptable. It was always amazing that two kids from Peoria Ill and two kids from the North of England got on so well, we even understood each others accents. We have shared very many wonderful and fun times full of laughs many inspired by Bobbi over the years, so the loss of one of our Family is painful. The English Family will always cherish the memory of Bobbie, and our sincere condolences go to our Brother Lou.

“ Dick and I lived beside Bobbi and Lou for 25 years in Columbus Ohio. They were the best neighbors you could have and they were like the second parents to our only daughter Sherri. It is very hard to accept she has gone on to be with her family in heaven. May she RIP.

“ *Bobbi and I worked together as volunteers at the Ringling Museum. She became a very close friend as we were involved with many projects there. Her unstoppable drive and winning smile influenced many of us. Her dedication to all of us there will always be remembered. Bobbi you will always have a place in my heart.*

“ *It's still so hard to believe that Bobbi is no longer with us physically. Her loving and joyful spirit will live on in all who knew and loved her and that includes me. Together we were part of a song and dance variety show for many years in Columbus, Ohio. Bobbi & Lou visited me one Christmas Eve when I needed their friendship most. Bobbi stayed with me when she came to Columbus for the dedication of the new Marburn Academy campus. I miss you Bobbi. God bless you.*
