“ *My memories of your dad: His convertible Firebird, the coolest car in the neighborhood growing up together, the cool office he had in your downstairs and his cartoon artwork, a talent John inherited, and playing golf with him in Falmouth after my Dad died. Always a steady and kind presence.*

“ We miss you "Pots". Loved trading history books with you or critiquing the latest Patriots or Red Sox results. You were the bedrock of the Procaccino family and I regarded you as my second Dad because my Dad died so long ago. Our time in Falmouth or Florida will never be the same without you.

Your Son-in-law,  
Larry
