“ My name is Natalie. I'm from Utica, NY. Ron was a very good friend of the family. We met him through his good friend Bruce Miller, who is no longer with us. Ron kept in touch with the family and visited here in Utica every year. He continued to visit us here even after my Mom passed over two years ago. I found it strange when we did not hear from him at Thanksgiving and Christmas. I am so very very sorry to hear of his passing. He was a kind man. I will miss him. My love and condolences to the family.

“ You were such a kind, warm and caring man. You always saw the positive in everyone and were quick to smile. You wanted nothing more than to help take care of your family, your friends and especially me. You will be missed until the end of time.  
You were my stars, my moon, my night  
You were my sun, my day, my light  
Always and forever.
