“ Dear Judy and family--How much you and Ruel added to life in Bloomington, Illinois. We were blessed to have both of you active in community, especially in the arts. And Ruel's medical skill and ability to relate personally to patients made him such a favorite. When Walt Friedhoff needed a heart valve, Ruel was there--and through Walt's recovery and later, Ruel was a friend. I am sorry Ruel is gone, but I will always appreciate having known him. Pat Grogg
