“ *Having worked with Sandy for 5 years at Target I will never forget her infectious smile, her love for Halloween and addiction to White Mochas! She was the one that got us hooked on Disney, Beef O'Brady's wings and beer and giving back to the community. She was one of the most sincere people I have ever met who had a heart of gold! She will forever be in my heart and I am luck to have called her my friend.*

Ed, love to you all!
