It has been said by many that Sharon was the happiest person in the world. She made everyone around her happy also. Sharon loved doing things with her hands, she loved reading and once she started reading a book dinner would wait. She was also a very good cook and loved to watch the cooking shows. Sharon was a cosmetology teacher and treated all her students as if they were her own children. They could come to her with all their problems before they could go to their own parents. She never judged anyone and always saw the good in each person she met. Sharon was the greatest wife in the world. She will be greatly missed.
