“ *My Aunt Sharon will truly be missed. Her kind heart was evident to me all throughout my life. Family was important to her and I have many fond memories of her visits to our home and our family visits to hers. She was so encouraging and proud of all that I did and then later of my kids. I will miss her laughter and kind heart. I am so glad we will be together again in heaven!* ”

“ I'm going to miss my wonderful cousin Sharon. She was truly generous to a fault and shared her money and her time when others would have felt they couldn't afford to share. She enlivened a gathering with her spirit and sense of humor. John, our thoughts are with you,

“ My dear sister loved life and her family. We spent many happy times sharing about the Lord or singing around the piano or campfire od gospel and scripture songs. She had a heart of caring and generosity to others, including family. Quick to serve a meal, share a gift or pray and advise. She always said " You can't take it with you ". Her faith was strong in Christ and I am sadly missing her love, support and friendship in my life.

“ When I was a young girl Sharon stayed with us briefly at our house in Germantown. She had a transistor radio and hair curlers and she kept singing a song about a polka-dot bikini. I thought that my teenage cousin was something else! She never lost that spunk and she grew up to be a charming, warm, generous woman. In recent years she has been especially supportive of me despite her own difficulties. We will miss you Sharon. Love Jill

“ I am so deeply saddened by the passing of Aunt Sharon . I have so many fond memories of visiting the family growing up our camping trips and her amazing cooking. She was always ready with her quick wit and sense of humor. I'm truly blessed to have known her and will always keep her and the family in my heart ❤️.

“ I will always remember how good you were to me the summer you had me stay with you. Our family was having a tough time, but stay with you was one of my favorite childhood memories. I was always appreciative of how loving and positive you always were. Love always, Charlene Weiss (cousin).
