“ So sorry to hear of the passing of Aunt Sheila earlier this year. Although we lived apart, my memories of her and Uncle Bunk always make me smile. They were special people. My Mom, Grace Service Kelly, cared deeply for her. May your memories of her stay bright in your heart. Gretchen Service Fiery

“ I spent many years at Plymouth Harbor working with Sheila. she had a heart of gold and was so kind to the patients. I started working there in the early 70's as an aide and completed my RN degree at Florida State College and returned to wonderful Plymouth Harbour in the late 70's. She definitely earned her angel wings. Condolences to the family

Thanks Brenda for your kind note. I do remember you. Mom absolutely loved working at PH. I don't think it was a job for her but rather a calling. She loved the residents and I know they loved her too! Best wishes, Judy

Lilly and I send our condolences to Aunt Sheila's family. She and Uncle Bunk were such an endearing couple. It really warmed our hearts to read about her humanitarian work as a CNA. Both my mother Grace and my father Butch dearly loved this kind-hearted, upbeat, energetic woman. Our memory of her is certainly a blessing...

“ Although I never met Sheila, your dad was the love of my life when I was 12 in 7th grade! I never forgot him, he was the most wonderful teacher and in my memories for so many years...I'm now 85 and still think of him and how he shaped my life. Unfortunately I didn't know your mother, but she must have been wonderful to have married such a great man. My condolences to the whole family, Gina Vandroff, Sarasota, FL.
