

Stanley Wernick

September 3, 1928 - February 23, 2023

Stanley Wernick, 94, passed away Thursday February 23, 2023, at his home in Sarasota. He was born September 3, 1928, to the late, Helen and Sol Wernick. In addition to his parents, Stan was preceded in death by his brother, Philip.

Stan liked to call himself street smart, and he was, but he was also a brilliant problem solver. He graduated from New York City CCNY, passed the CPA exam, and went on to work 35 years for Pall Corporation attaining the position of CFO. He always said, "were it not for the New York free college education opportunity, who knows where I would have ended up."

Stan and Dee have spent their lives together, always being deeply in love and committed to each other. Each supported the other in whatever they wanted to try, which led them on many exciting adventures.

Stan always wanted to learn how to fly and to snow ski. He became an accomplished instrument rated pilot and a good skier. They had some wonderful trips, mostly surprise free, but occasionally, a little scary.

Stan retired in 1992 and he and Dee moved to Sarasota, never looking back.

Stan loved life, dogs, cats, and martinis, not necessarily in that order. He will

be forever missed by his family and many friends.

Surviving Stan are his devoted wife of almost 48 years, D'Ann (Dee) Wernick; five children, Joyce Jacobs, Jeffrey Wernick (Carmen), Kenneth Wernick (Bonnie), Scott Stevens (Britton), Sara Makowski (Roger); six grandchildren and one great grandson.

A memorial service will be held on Tuesday, February 28th at 11:00 am at Toale Brothers Funeral Home, 40 North Orange Avenue, Sarasota, Florida 34236.

Many thanks to the wonderful, amazing aides from Youthful Aging Home Health Care, and Continuum Hospice Care.

Memorials may be made in Stan's honor to your favorite charity.

“ I’m so saddened to hear about Stan passing away 2/2023. He had great friends they called each other the “friends circle” they all knew each other since elementary school, Stan, my dad(Norman Revitz), Bunie(Bernard), Steve,&Jerry this group included all their wives. All their kids we grew up with. Stan you’ll be missed but now you’re with your “Friends Circle” once again drinking martinis, etc again. Stan was a wonderful man as well as the rest!!

“ Most sincere condolences to the Wernick family through these most difficult times. As a Pall colleague of Stan’s for many years there were many opportunities to learn from the wisdom he openly shared as issues were addressed. May he RIP. 🙏🙏🙏

“ During Covid quarantine, DOT (dinner on Thursday) with our dear neighbors across the street became a lifeline--take-out food, a lot of wine, laughter, and wonderful stories from Stan. Werner and I are both laughing now, hearing his voice in our heads. He achieved all his goals in life, he said, and was just annoyed that they wouldn't let him fly anymore. It was with love, humor, and openness to adventure that he and Dee created a wonderful life together.

“ I so loved uncle Stan. Even though I saw him infrequently, he always made me feel like the most important person in the room. His laugh, smile, and hugs were the best. I'll miss you uncle Stan!!!!

“ Stan and I became coworkers at Pall Corporation in Glen Cove, NY. I was 22 years old when I first got to know him. Since I am now close to turning 89, our friendship has existed for awhile.

Back in the early 1960s, Pall transferred me and my family to the Los Angeles area. Stan was the CFO of Pall and one of his responsibilities was periodically visiting me in California to check "the numbers".

At the time, I was piloting small airplanes as a hobby and on a number of his visits I took him flying on sightseeing trips around the LA Basin. As most people know, he got hooked on becoming a pilot and eventually surpassed my capabilities and experience.

I recall vividly the first time I met D'Ann, it was in the late 1970s. I said to myself, Stan is one lucky man! No doubt, everyone who knows them shares that feeling, especially now, so many years later.

Even though miles separated us, it was important for my wife Georgia and me to remain close friends. He will be missed greatly.

My father was an amazing man. I loved him dearly and will miss him terribly. He did so much to help me and was the smartest and most caring man I have known. I love you Dad and will always be thinking of you!
