“ I grew up with Steve in New Windsor NY and went to Camp Orange with him and new him at least 60 years , Such a great guy ,he truly left an imprint on anybody that he came in contact with , was able to speak and reminisce with over the last couple of years , one of his favorites at Camp was Neil Young and we didn't need to search for a heart of Gold because Steve had one , the love he gave all of his friends we now extend to his family .
