

Susan Ruth Lizotte

August 15, 2024

Susan Ruth Lizotte, born in 1953 in Fitchburg, Massachusetts, passed away peacefully at her home in Sarasota, Florida, on August 15, 2024.

Susan was the beloved daughter of Ronald and Marjorie Robichaux and grew up in a close-knit family in Townsend MA. Susan attended North Middlesex High School, where she met the love of her life, Richard Lizotte. The two married and shared a beautiful 54-year-long marriage. Together, they raised two sons, Todd and Josh Lizotte, instilling in them the values of love, perseverance, and the importance of family.

In 1983, Susan was diagnosed with Multiple Sclerosis, a challenge she faced with incredible courage and grace for over four decades. Her diagnosis was a pivotal factor in the family's decision to relocate to Sarasota, Florida, in 1987, where they continued to raise their sons and build a life filled with love and resilience.

Despite the challenges she faced, Susan was known for her joyful spirit, her love of life, and her deep passion for music. Her infectious laughter and positive outlook on life were an inspiration to all who knew her. She was a beacon of light in the lives of her family and friends, always ready to share a smile or a kind word.

Susan is survived by her devoted husband, Richard Lizotte; her sons, Todd Lizotte (Kim) and Joshua Lizotte (Danielle). Susan adored her grandchildren, Cameron, Brandon, Balius, Josh, Liam, Jackson, and great-grandchild, Grace. She is also remembered by her supporting brother and sister, Ronald and Carol Robichaux, and a symphony of nieces and nephews. Susan was showered with love by Ms. Carmen, her friend and caretaker for nearly a decade. Her legacy of love, strength, and joy will live on in the hearts of her family and friends.

A private memorial service will be held to honor Susan's life.

In lieu of flowers, the family kindly requests that donations be made in Susan's memory to the National Multiple Sclerosis Society, to continue the fight against this challenging disease.

“ The memories I cherish and hold deep in my heart begin with a 13 year old coming to our home in Saugus, MA with a ticket to see the Beatles on 8/16/1966 at Suffolk Downs with her dear cousin, Gail. Our families enjoyed vacations together in New England (including trips to emergency care), New Orleans and Sarasota, which was calmer and sunnier. Susan taught me about courage, dignity and joy. I cherish these memories and hold them deep in my heart. Sending love and comfort to Rick, Todd, Josh and their families.

“ We had so many good memories with Susan and Rick when they'd visit Josh and Danielle in San Antonio, or we'd visit in Sarasota. She had a great sense of humor and we shared a love for straws. Sending our love. We are heartbroken over her loss, and so glad she became a part of our extended family.
