

Susan P. Moriarty

June 24, 1966 - September 12, 2020

It is with great sorrow that the family of Susan P. Moriarty shares that she passed away suddenly from a pulmonary embolism on September 12th, 2020.

Susan was born June 24th, 1966 in Boston MA, the daughter of Richard and Ellen Moriarty. She grew up in Petersham MA and attended the University of Connecticut for her undergraduate degree and then Clark University for her MBA. She also achieved a Master of Arts in Teaching at Leslie University.

Susan was a much-loved Computer Science teacher at Sarasota Middle School. The students would eagerly anticipate the gaming nights she and her family would host. She was the mentor for the Future Business Leaders of America club at school and enjoyed taking the participants to their yearly conferences.

Susan loved serving people and her community. She was a member of the Sertoma Women's Club of Venice and Mothers Helping Mothers and always looking for ways to help those in need and conquer homelessness. She would encourage her students and led them in volunteering at multiple projects.

She is survived by her favorite person in the world her daughter Laura Marshall of Mishima Japan, her love and life partner Kirk Groome and his sons Kyle and Zachary of Sarasota, and friends too numerous to count.

A Celebration of Life service will be held at 3 PM on Saturday September 26th at Toale Brothers Funeral Home, Colonial Chapel, 40 N. Orange Avenue, Sarasota FL 34236

In lieu of flowers please consider a donation to Mothers Helping Mothers, in honor of Susan:

“ I was honored to get to work closely with Susan for these past few years. She had an unbelievable work ethic and was passionate about ensuring her students' success. She was not only a great professional colleague, but she was a wonderful friend. Our school, her friends, and her family have all suffered a great loss. I am comforted by the fact that we are all better off for having had the privilege of knowing her and to be directly effected by her warmth, kindness, and love.

“ There are so many memories it can overwhelm. We were friends for 30 years and she was a constant source of inspiration for projects as well as a comfort for all those times when we could share our playdates, the experiences of small town the worries of motherhood and challenges of love and loss. She was inspiring in her bold career choices as she moved from HR into teaching and from Massachusetts to Florida.
Her love for you, Laura encompassed all those other loves and she was so very proud of your choices and individuality.

Susan always working hard in support of Women's Sertoma Club of Venice. Your smile, sense of humor and devotion to raising scholarship money for young women will be missed. Susan always made everything look so easy because she was so organized and calm. Susan, thank you for your endless volunteering (t-shirts, Christmas Giving, Sun Fiesta, Framer's Market, website design, baking, Thanksgiving Baskets, etc) and for being a good friend.
