“ Dear Paul,
I am one of Tara's Pekingese loving pals. We did only know each other on line. How amazing a person she was to have so well conveyed her loving heart, super sense of humor and unending adoration for you and her "Troll's". Oh and the Raider's! I remember her telling me early on we could be friends but I was to never ever say bad things about her team :-) I smiled, then as now, about her devotion. I am deeply sorry for your loss, I can not begin to imagine your grief. Please know you are not alone, you have others who miss her too. Maybe you might hop into facebook and share pictures of the furbabies from time to time. I am sending you and all her family, love and light during this very sad time. I know she will watch over you until she can meet you again on the other side.
Sincerely,
Lynn Leonard
