“ I met Tommy back in 1978 when he was working at Marina Jacks. Tom and I were together for 12+ years and had one son Jonathan. Despite our eventual divorce we stayed friends over the years and I was his health care surrogate so was involved with him when he had health issues. Tom was one of the hardest workers I have ever known. He was a wonderful man who adored his son. His kitty Reba who he adored will miss him so much. I am grateful for having had him in my life and the memories we shared as well as being able to be there for his passing into what hopefully will be a better place. You will always have a place in my heart.
With Love, Penny
