

Thomas "Tom" J. Yastrop

August 26, 1948 - August 16, 2024

Thomas "Tom" J. Yastrop 75 of Bradenton, FL formerly of Northampton, PA passed away at home August 16th, 2024 with his wife Janet by his side. Born August 26th, 1948 in Allentown, PA he was the son of the late John and Mary (Kalavoda) Yastrop.

Tom had various jobs through his life but the most rewarding was the authentic restoration of their 1761 log and stone home in Northampton. His passion and dedication to preserving the homestead was his utmost priority.

Tom was an athlete enjoying skiing, windsurfing, racquetball, mountain biking and raced motocross. He built a motocross track in Slatington, PA where AMA sanctioned races were held. He was also an avid music lover and his stereo setup in his barn entertained many friends for years. That love of music got him to Bethel, NY in 1969 to the concert Woodstock. After losing a ride from Allentown, he hitchhiked 105 miles to the 3-day concert. Tom also had a skill of woodworking and recreated many 18th century style furniture pieces from reclaimed wood.

Tom is survived by his wife of 41 years Janet (Filoromo) Yastrop, a sister and brother, sister-in-laws, brother-in-laws, nieces, nephews and many cherished friends.

Tom's smile and sense of humor will truly be missed by all that knew him.

A celebration of life will be held at a later date.

Dear Janet, I just wanted to say that I was thinking about Uncle Tommy and decided to come back to this page. It was nice to see the pictures that you added. I don't know where you are living now, but I hope that you are finding some peace. Kathy.

Good times and great memories Janed. Tom will not be forgotten. I fondly possess his 70 ltr fanatic mosquito that he sold me with the promise to return it "when" he wanted it back. That board will remain his landmark sail board and his hawaii legend and I will pass the story on to the next owner.

Janet, I am sad to hear of Tom's passing. I did not know him well but I do know he was an amazing man who restored Seven Foxes to it's former glory. May future generations of caretakers and custodians strive to maintain this home and honor his memory. I am very sorry for your loss - a brilliant man.

“ *I had the pleasure of knowing Tom for 35 years. He was passionate about their Northampton farm that he rehabilitated from falling apart and years of neglect to an absolutely beautiful piece of real estate that was on the local holiday house tours. He had the knowledge and ability to repair just about anything. His craftsmanship was superb! Always kind, he took a sincere interest in what his friends were involved with and how they were doing. Tom had a light sense of humor and his quirky jokes were never offensive but made his audience laugh. Our corner of the world was a better place with Tom in it. He will be missed! God rest his soul.*
