“ It is with deep sadness we learn of the tragic passing of our dear friend Tim/Timmy. I had the honor to work with Tim for many years, you couldn't find a nicer or more respectful person. I always admired him for his commitments to his family. Tims mother was extremely important and he was so proud of his nieces, enjoying to speak of them. We enjoyed to listen to him too! Words just cant express the loss I feel as well as his former Best Western collogues, we are all devastated and heartbroken. To Tims family, our deepest of condolences to you all. We are here for you. Tim, rest peacefully until we meet again.
