“ *Joyce
Larry’s path to Heaven was paved by his lifetime of good works and caring for all those who passed his way. He eased and comforted with both his dry humor and his instinctive intelligence. God has him in hand...and will hold you also in your grief.

“ *I remember Father Faeth from my years at St Raphael's school. I truly enjoyed him he made the church and the children his mission. I often think about those days, and him riding up on the motorcycle. He was able to come down to our level as children when he spoke to the children. RIP*
