“ To Alberta and family, we are saddened immensely at the loss of such a wonderful human being , friend and neighbor. Vinnie was always a help to anyone who needed it and did things for others out of the goodness of his heart without ever being asked. In the peace and quiet and beauty of the Georgia mountains I spoke to Vinnie and told him how we felt. I hope he heard me. The neighborhood will never be the same. You are loved and will be missed always.

To my brother-in-law of 50 years, my only "brother", I will never forget him. Paul, Al, Vinnie and I are bonded through the best of times and worst of times. Family was the most important part of our lives. Vinnie maybe gone physically but how he has touched our hearts will stay forever. May he rest in God's peace. Mary Ellen

*Alberta: Although we didn't see you for so many years, you and Vinnie were always in our thoughts and hearts. Will cherish the get together that we had a couple of years ago. You have been my oldest and best friend and we love you very much. May Vinnie rest in peace and may God bring you comfort. Love to you and the family.

Condolences to you Alberta and your family. You have all lost a wonderful man. He so loved you, Alberta, as he did his sons and their families.

Vin was my best friend in high school and remained so all these years despite the many miles between us. He was always the nice person that you knew in his later years: loving, kind, straight-forward, hard-working, generous, trustworthy, and reliable. My parents loved him, as did my brother, cousins, and uncles. In truth, he was a part of my family.

Peace to my friend, and love and peace to his family.
