“ I spent many years dreaming of dance. And to have the opportunity to work with Ms Munson and her family at her studio will always be very special to me. It built strength and confidence to all those who walked in her studio. I will never forget her encouragement, her smile and her talent.

“ It all began in her garage-turned-dance studio, and Vivian Munson was the spark that lit the fire of my love for dance, and the amazing journey of life lessons that she taught myself, and all of her aspiring dancers, along the way! Not just through Vivian, but through Lynn and Heather, for myself and eventually, our daughters, too! Our sincere condolences to the entire Munson family. Vivian's beautiful spirit and legacy lives on in our hearts and through her beautiful family! Love and prayers to you all...

“ My days as a student at the studio are some of my best memories. I spent so many wonderful years there. Even starting when her studio was at her house. Vivian was such a treasure. Thank you for encouraging the love of dance.
