“ Uncle Wally you will be greatly missed. He was such a joker and full of laughs. He actually helped me get me first job at Montgomery Wards during my junior year of high school. I'm sure grandma, grandpa, Steven your brothers and sister were waiting for you with open arms. God bless you . Susie and family

“ One thing I find comfort in...is knowing that Your father is with his family again. His family from birth. I found this photo I hope you will enjoy. I'm going to miss talking to him on the phone. Boy, sometimes I felt like he thought he was still in his 20s! I'm going to miss those giggles after all his sentences and the stories he told of the past. What a FULL life he had with all his children and grandchildren! He was surely blessed. Now he's home again. Back with his mother and father and siblings. Reunited with his son Steve. Now that is surely peace 🕊️
